

OLP 3rd Graders and Holy Family Soup Kitchen

The Holy Family Soup Kitchen's goal is to feed the area's hungry and homeless. Today the Soup Kitchen and Pantry serves over 700 hot meals daily, Monday through Friday and an average of 250 families receive assistance from the Food Pantry each week.

Each year our third graders participate in a service learning project which earns money to help the Holy Family Soup Kitchen. This project incorporates math, science, art, understanding and caring for others. We feel that as we give to others we receive greatly.

Click the link below to see our PowerPoint *Plant Propagation and the Holy Family Soup Kitchen* and learn more about our project.
